Our Model

Child and Family Services’ Pregnancy Support program works on the premise that you are an individual, with individual needs — whatever your age or circumstances.

Making an Informed Decision

Should you find yourself facing an unplanned pregnancy, our counselors will help you examine your options and make informed decisions about your future. We want you to have a healthy pregnancy and work to ensure you have the services, resources, and support you need.

cfs mission

Our services support the safety and well-being of children, youth, adults, and families in times of challenge, crisis, and life transition.

What about Adoption?

Maybe you just found out you’re pregnant and are considering your options. Maybe you’ve been thinking for a long time about placing your child for adoption and are ready to take the next step. No matter where you’re at in the adoption process or how you arrived at the decision to place your child for adoption, we want to help you make the best choices for yourself and your child.
